

Job title	Business Development Manager – France & Benelux	Reporting to	General Manager - Germany
Location	Hybrid Home working / Office in Germany Travel required to visit customers Nationally & Internationally	Position type	Full time / Office Based

## The Company

CASCO Pet is a global business specialising in pet and aquatic shop fitting and revolutionary veterinary clinical housing with manufacturing and sales operations around the world. We are proud of our reputation for innovative and flexible designs which place us as the market leader in the pet and veterinary industry. Established in 1997, our Head Office is based in the UK with offices in UK & USA and our center of excellence in Portugal where we service our global market from Australia to the USA

## Job Description

The role of BDM – France & Benelux requires a proactive and enthusiastic individual to develop and manage Casco Pet's customers in Vet & Pet in France and French (Belgium/Swiss/Luxembourg) speaking parts of the Globe. This person is required to have a high attention to detail and the aptitude to build excellent relationships with clients, demonstrating expert communication and project management skills. Not only this but the successful candidate would require collaborating effectively and efficiently with internal terms in sales, customer success, operations, and finance.
